Arbor Financial Credit Union Announces Hire of Vice President of Information Systems

KALAMAZOO, MI – Arbor Financial Credit Union has hired James Blankenship to fill the newly created position of Vice President of Information Systems with the organization.

Blankenship comes to Arbor Financial with a wealth of information technology experience, at the executive level, from major employers and organizations across the area, including Western Michigan University, Stryker, and the Kellogg Company.

“Technology is important to our members and to our credit union. James brings knowledge and many years of experience that will improve our systems and make us a better credit union for our members.” says Julie Blitchok, President and CEO of Arbor Financial.

Blankenship says he is thrilled to be joining the Arbor Financial team, loves the credit union’s culture, and is looking forward to working closely with the Information Systems and Core Systems teams.

Founded in 1935, Arbor Financial Credit Union provides a full range of financial products and services to people and businesses in Southwest Michigan. The credit union exceeds \$500 million in assets and serves more than 38,000 members. Visit arborfcu.org to learn more.
