Arbor Financial Credit Union Recognized with Distinguished Award

KALAMAZOO, MI – Arbor Financial Credit Union was presented with the 2017 award for one of “West Michigan’s Best and Brightest Companies to Work For”. The program recognizes companies that deliver exceptional human resource practices and impressive commitment to their employees.

“It was an honor to accept the award” said Arlene Horton the Vice President of Human Resources. “We are like family here, so it was nice to show others just how much we care for our employees”.

One of Arbor Financials thoughtful initiatives is to allow each employee to have a day off on their birthday. As well as, round all the employees up for Staff Enrichments days, including games of Jenga and competitive, but friendly, silent auctions to raise money for staff-selected charities.

“We are all about our employees working together, having fun and doing the right thing”, said President and CEO Julie Blitchok “It is a great pleasure to accept such a distinguished award, without such knowledgeable staff, Arbor Financial wouldn’t be where it is today”.

Founded in 1935, Arbor Financial Credit Union provides a full range of financial products and services to people and businesses in Southwest Michigan. The credit union exceeds \$500 million in assets and serves more than 37,000 members. Visit arborfcu.org to learn more.
