MEMBERSHIP AND ACCOUNT AGREEMENT

This Agreement covers your rights and responsibilities concerning your accounts and the rights and responsibilities of Arbor Financial Credit Union (Credit Union). In this Agreement, the words "you," "your," and "yours" mean anyone who signs a Member Services Request, Account Change Card, or any other account opening document (Member Services Request), or for whom membership and/or service requests are approved through the Credit Union's online application and authentication process. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more share or deposit accounts you have with the Credit Union.

Your account type(s) and ownership features are designated by you on your Member Services Request or through the Credit Union's online application and authentication process. By signing an Member Services Request or authenticating your request, each of you, jointly and severally, agree to the terms and conditions in this Agreement, and any Account Card, Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Electronic Fund Transfers Agreement and Disclosure, Privacy Disclosure, or Account Receipt accompanying this Agreement, the Credit Union Bylaws or Code of Regulations (Bylaws), Credit Union policies, and any amendments, including additions, deletions, or other changes, made to these documents from time to time that collectively govern your membership, accounts and services.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, if applicable, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

NOTICE OF ARBITRATION PROVISION

This Agreement contains an Arbitration Provision which provides that you or the Credit Union may elect to have all disputes resolved by **BINDING ARBITRATION INSTEAD OF IN COURT**.

You should read the Arbitration Provision below carefully. It provides, among other terms:

You **GIVE UP YOUR RIGHT TO GO TO COURT** to assert or defend your rights under this Agreement (**EXCEPT** for matters that may be taken to **SMALL CLAIMS COURT**).

Your rights will be determined by a **NEUTRAL ARBITRATOR** and **NOT** a judge or jury.

You are entitled to a **FAIR HEARING**, BUT the arbitration procedures are **SIMPLER AND MORE LIMITED THAN RULES APPLICABLE IN COURT**.

Arbitrator decisions are as enforceable as any court order and are subject to **VERY LIMITED REVIEW BY A COURT**.

YOU MAY NOT PARTICIPATE AS A CLASS REPRESENTATIVE OR MEMBER IN ARBITRATION OR IN ANY OTHER CONSOLIDATED PROCEEDING.

1. MEMBERSHIP ELIGIBILITY - To join the Credit Union, you must meet the membership requirements, which may include the purchase and maintenance of the minimum required share(s) (hereinafter membership share), paying a membership fee, or other requirement(s) as set forth in the Credit Union's bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit and consumer reporting agencies, to verify your eligibility for the accounts, products and services you request and for other accounts, products, or services we may offer you or for which you may qualify.

2. INDIVIDUAL ACCOUNTS - An individual account is an account owned by one member who has qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the decedent's estate or beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner's agent prior to notice of an owner's death, any security interest or pledge granted by the account owner, and our statutory lien rights.

3. JOINT ACCOUNTS - If two or more parties have signed a Member Services Request with respect to one or more accounts, you are creating, and intend to create, a "joint account with rights of survivorship." That is, you as the owners of the account agree with yourselves and the Credit Union that all sums paid in shares or other deposits (as applicable), together with all accumulations, prior to now or hereafter, less setoffs as allowed by law for any sums due the Credit Union by any party, shall be owned by all of you jointly with full right of survivorship, and shall be subject to withdrawal or receipt by any of you in whole or in part. Payment to any of you or the survivor(s) of you, or the personal representative, administrator or assign of the last survivor of you, shall be valid and discharge the Credit Union from any liability for such payment and amount.

Each signer appoints each other signer to be his or her irrevocable attorney in fact: to make deposits to the account; to endorse, for cash or deposit, any checks or other items whether payable to one of the signers alone or with others; and to receive all funds; all without obligation to us to inquire into the source or application of funds. To induce us to act hereunder, each person signing the Member Services Request jointly and singly agrees to hold the Credit Union harmless and indemnify us from loss, cost, and damage in all respects in connection with any of the foregoing, including court costs and attorneys' fees, except as may be limited by applicable law.

Unless specifically prohibited in writing from doing so, any or all of the joint owners may pledge all or part of the shares or deposits in the account as collateral for security on a loan(s). Any owner who is a surviving owner agrees that the Credit Union to the extent allowed by law may set off any money in the account against any obligation of a deceased owner within thirty days after the Credit Union becomes aware of the deceased owner's death unless

such a setoff would not have been allowed during the deceased individual's lifetime (such as would be the case with certain tax favored accounts). All owners who are surviving owners also agree that their interests in the account are subject to any security interest statutory lien or pledge granted by a deceased owner or in existence during a deceased owners lifetime, even if they individually did not specifically consent to it.

No authority or obligation of the Credit Union may be changed or terminated by one or more of the joint owners without prior written notice to the Credit Union, and no such change or termination shall affect transactions already made. Further, each joint owner is subject to the terms and disclosures of this Agreement, and hereby acknowledges receipt of the Agreement. We may refuse to authorize a withdrawal from a joint account when we have knowledge of a dispute between the joint accountholders until the matter is resolved.

If a deposited item in a joint account is returned unpaid, the account is overdrawn, or if the Credit Union does not receive final payment on a transaction, the owners, jointly and severally, are liable to the Credit Union for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to the Credit Union, the Credit Union may enforce its rights against any account of an owner or all funds in the joint account regardless of who contributed them.

Except as modified in this Agreement, joint accounts shall be subject to and governed by PA 41 of the Public Acts of 1968 (Michigan), as amended, being M.C.L. 490.51 et seq., and commonly known as the Credit Union Multiple-Party Accounts Act. An account owned by a person that is not a natural person (that is, an account owned by a corporation or other legal entity or by a trust) may not have joint owners.

4. BENEFICIARY ACCOUNT DESIGNATIONS - When opening an account or, if all owners agree, at any time thereafter, you may designate one or more persons as beneficiaries of the account under the Michigan Credit Union Beneficiary Accounts Act (Public Act 31 of 1992), being M.C.L. 490.81 et seq. Upon the death of the last surviving owner of the account, the surviving beneficiaries shall become the owners of the funds in the account. If there is more than one surviving beneficiary, the account shall be divided equally between them, and each beneficiary shall be the sole owner of that beneficiary's share. In accordance with the Credit Union Beneficiary Accounts Act, there shall be no joint ownership among beneficiaries. Any funds deposited into an account after the last surviving account owner's date of death, and prior to the closing of the account, shall be payable to the beneficiary(ies), and not to the estate of the last surviving account owner (subject to the Credit Union's right of setoff, as set forth below). The Credit Union is not obligated to notify any beneficiary/payee of the existence of any account or the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law. The interests of the beneficiary(ies) is subject to the right of the Credit Union, to the extent allowed by law, to set off any money in the account against any obligation of the deceased owner (or the last owner to die, if there was more than one) within thirty days after the Credit Union becomes aware of the deceased owner's death unless such a setoff would not have been allowed during the deceased individual's lifetime (such as would be the case with certain tax favored accounts). The Credit Union reserves the right to require documentation in order to confirm that an account has become properly payable to a beneficiary or beneficiaries. An account owned by a person that is not a natural person (that is, an account owned by a trust) may not have beneficiaries.

5. ACCOUNTS FOR MINORS - If an account is established for a minor as a joint account with an owner who has reached the age of majority in accordance with state law, they are, to the extent permitted by state law, jointly and severally liable to us for any returned item, overdraft, or unpaid amount on such account and for any related fees and charges. We may pay funds directly to the minor regardless of their age. Unless a parent or guardian is an account owner, the parent or guardian will not have any access to the account. We have no duty to inquire about the use or purpose of any transaction except as required by applicable law. We may not change the account status when the minor reaches the age of majority unless the change is authorized in writing by all account owners.

6. AGENCY DESIGNATION ON AN ACCOUNT - An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or credit union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent except as required by applicable law.

7. DEPOSIT OF FUNDS REQUIREMENTS - Funds may be deposited to any account, in any manner approved by the Credit Union in accordance with the requirements set forth in the Truth-in-Savings Disclosure. Deposits made by mail, at night depositories, or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

a. Endorsements. We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft, or item that is payable to two or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft, or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the check or draft within 1½ inches of the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility. If we offer a remote deposit capture service and you have been approved to use the service to make deposits to your account, you agree that, prior to transmitting check or draft images, you will restrictively endorse each original check or draft in accordance with any other agreement with us that governs this service.

b. Collection of Items. We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the loss of an item in transit or the negligence of any correspondent. Each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor financial institution extra time beyond any midnight deadline limits.

c. Restrictive Legends. Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include "two signatures required," "void after 60 days," and "not valid over \$500.00." We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restriction or limitation.

d. Final Payment. All checks, drafts, automated clearing house (ACH) transfers or other items credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items and impose a returned item fee on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or fund transfer.

e. Direct Deposits. We may offer direct deposit services, including preauthorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfers by completing a separate authorization document or process. You must notify us if you wish to cancel or change a direct deposit or preauthorized transfer. Any cancellation or change will become effective once we receive notice from you and have a reasonable period of time to act on your request. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.

f. Crediting of Deposits. Deposits will be credited to your account on the day we consider them received as stated in our Funds Availability Policy Disclosure.

8. ACCOUNT ACCESS

a. Authorized Signature. Your signature on the Member Services Request, or authentication and approval of your account, authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature, even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account information, even if you do not authorize a particular transaction.

b. Access Options. You may access your account(s) in any manner we permit including, for example, in person at one of our branch offices, at an ATM or point-of-sale device, or by mail, telephone, automatic transfer, internet access or mobile application. We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any losses, expenses or fees we incur as a result of handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We may refuse to honor a power of attorney if our refusal is conducted in accordance with applicable state law.

c. Credit Union Examination. We may disregard any information on any check or draft other than the signature of the drawer, the amount of the item, and any magnetic encoding. You agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

9. FUNDS TRANSFERS - Funds transfers we permit that are subject to Article 4A of the Uniform Commercial Code (UCC), such as wire transfers, will be subject to such provisions of the UCC as enacted by the state where the main office of the Credit Union is located, except as otherwise provided in this Agreement. ACH transfers are subject to Nacha Operating Rules. We may execute certain requests for funds transfers by Fedwire which are subject to the Federal Reserve Board's Regulation J.

a. Authorization for Transfers/Debiting of Accounts. You may make or order funds transfers to or from your account. We will debit your account for the amount of a funds transfer from your account and will charge your account for any fees related to the transfer.

b. Right to Refuse to Make Transfers/Limitation of Liability. Unless we agree otherwise in writing, we reserve the right to refuse to execute any payment order to transfer funds to or from your account. We are not obligated to execute any payment order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available balance in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or equipment failure. In addition, we will not be liable for consequential, special, punitive or indirect loss or damage you may incur in connection with funds transfers to or from your account.

c. No Notice Required. We will not provide you with notice when funds transfers are credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received.

d. Interest Payments. If we fail to properly execute a payment order and such action results in a delay in payment to you, we will pay you dividends or interest, whichever applies to your account, for the period of delay as required by applicable law. You agree that the dividend or interest rate paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period.

e. Provisional Credit for ACH Transactions. We may provisionally credit your account for an ACH transfer before we receive final settlement. If we do not receive final settlement, we may reverse the provisional credit or require you to refund us the amount provisionally credited to your account, and the party originating the transfer will not be considered to have paid you.

f. Payment Order Processing and Cut-off Times. Payment orders we accept will be executed within a reasonable time of receipt. Unless we have agreed otherwise in writing, a payment order may not necessarily be executed on the date it is received or on a particular date you specify. Cut-off times may apply to the receipt, execution and processing of funds transfers, payment orders, cancellations, and amendments. Funds transfers, payment orders, cancellations, and amendments received after a cut-off time may be treated as having been received on the next funds transfer business day. Information about any cut-off times is available upon request. From time to time, we may need to temporarily suspend processing of a transaction for greater scrutiny or verification in accordance with applicable law. This action may affect settlement or availability of the transaction.

g. Identifying Information. If your payment order identifies the recipient and any financial institution by name and account or other identifying number, the Credit Union and any other financial institutions facilitating the transfer may rely strictly on the account or other identifying number, even if the number identifies a different person or financial institution.

h. Amendments and Cancellations of Payment Orders. Any account owner may amend or cancel a payment order regardless of whether that person initiated the order. We may refuse requests to amend or cancel a payment order that we believe will expose the Credit Union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order.

i. Security Procedures. We may require you to follow a security procedure to execute, amend or cancel a payment order so that we may verify the authenticity of the order, amendment or cancellation. You agree that the security procedure established by separate agreement between you and the Credit Union is commercially reasonable. If you refuse to follow a commercially reasonable security procedure that we offer, you agree to be bound by any payment order, whether authorized or not, that is issued in your name and accepted by us in good faith in accordance with the security procedure you choose.

j. Duty to Report Unauthorized or Erroneous Funds Transfers. You must exercise ordinary care to identify and report unauthorized or erroneous funds transfers on your account. You agree that you will review your account(s) and periodic statement(s). You further agree you will notify us of any unauthorized or erroneous transfers within the time frames described in the "Statements" section of this Agreement.

k. Recording Telephone Requests. You agree that we may record payment order, amendment and cancellation requests as permitted by applicable law.

l. Remittance Transfers. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. If we act as a remittance transfer provider and conduct a remittance transfer(s) on your behalf, the transaction(s) will be governed by 12 C.F.R. part 1005, subpart B - Requirements for remittance transfers. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

10. ACCOUNT RATES AND FEES - We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosure and Fee Schedule. We may change the Truth-in-Savings Disclosure or Fee Schedule at any time and will notify you as required by law. Certain fees may be waived in part or whole if the fee assessment brings the account balance below \$0.00.

11. TRANSACTION LIMITATIONS

a. Withdrawal Restrictions. We will pay checks or drafts, permit withdrawals, and make transfers from the available balance in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks or drafts, permit withdrawals, and make transfers when you have an insufficient available balance in your account if you have established an overdraft protection plan or, if you do not have such a plan with us, in accordance with our overdraft payment policy.

We may refuse to allow a withdrawal in some situations and will advise you accordingly if, for example: (1) there is a dispute between account owners (unless a court has ordered the Credit Union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; (5) you fail to repay a credit union loan on time; or (6) we deem it necessary for any other reason allowed by applicable law. We may require you to give written notice of 7 to 60 days before any intended withdrawals.

b. Transfer Limitations. We may limit the dollar amount or the number of transfers from your account. Please consult your Truth-in-Savings Disclosure or your Electronic Fund Transfers Agreement and Disclosure.

12. CERTIFICATE ACCOUNTS - Any term share, share certificate, time deposit or certificate of deposit account (certificate account), whichever we offer as allowed by applicable federal or state law, is subject to the terms of this Agreement, the Truth-in-Savings Disclosure, the Account Receipt for each account, and any other documents we provide for the account, the terms of which are incorporated herein by reference.

13. YOUR LIABILITY FOR OVERDRAFTS

PLEASE REVIEW THIS INFORMATION CAREFULLY. IF YOU DO NOT UNDERSTAND ANY PROVISION IN THIS “YOUR LIABILITY FOR OVERDRAFTS” SECTION, OR IF YOU HAVE ANY QUESTIONS, PLEASE CONTACT US AT 269-375-6702, OR VISIT ANY BRANCH.

a. GENERAL.

1. What Does it Mean to Overdraw Your Account? “Overdrawing” your account means that there are not sufficient available funds (as described in Section b below) in your account to pay for a transaction, resulting in a negative or “overdrawn” balance. Some transactions that can result in an overdraft in your account include, but are not limited to:

- the payment of checks, electronic fund transfers, telephone-initiated transactions, preauthorized payments under our Bill Payment Service, debit card transactions, or other withdrawal requests authorized by you;
- the return (unpaid) of items deposited by you;
- the assessment of service charges by us; or
- the deposit of items that are treated as not yet “available” according to our Funds Availability Policy Disclosure.

2. What Happens if the Credit Union Refuses to Pay the Item? If you overdraw your account, we may return the item unpaid, commonly known as a return for “non-sufficient funds” or “NSF”. It is important to understand that the Credit Union has no control over how many times an intended payee will resubmit an item to us for payment. When we return an item unpaid, we will assess you an NSF Fee each time the item is presented to us for payment. There is no limit on the number of NSF Fees we may assess against your account. NSF items are described in more detail in Section d.

3. What Happens if the Credit Union Pays the Item? If you overdraw your account and we pay the item, we may do so in one of two ways:

- through standard overdraft practices that come with your account, which we call “Courtesy Coverage”, “Courtesy Coverage Plus”; or
- through an overdraft protection plan, which we call “Overdraft Transfer Service.”

You can elect to decline either of these services at any time, which may result in your transactions being declined for non-sufficient funds if the available balance in your account is insufficient to pay for your transaction.

The Credit Union also offers an overdraft line of credit for qualifying members. This Overdraft Policy describes only our Courtesy Coverage, Courtesy Coverage Plus, and Overdraft Transfer Services. If you have questions regarding applying for an overdraft line of credit, please contact the Credit Union for additional information.

4. Your Obligation to Keep Records of Your Transactions. While we provide Courtesy Coverage, Courtesy Coverage Plus, and the Overdraft Transfer Service for your convenience and as a way to help you avoid overdrafts, NSF transactions, and associated fees, you are responsible for keeping track of the funds in your account that are available for you to use before you write a check, preauthorize a payment under our Bill Payment service, authorize an ACH transaction, make a cash withdrawal at an ATM, or use your debit card for a transaction. Among other things, you should keep a running balance that reflects all of your transactions.

It is imperative that you keep track of the transactions you may have authorized (such as outstanding checks or automatic bill payments), as your available balance (discussed in more detail below) may not reflect these transactions until they are paid from your account.

b. YOUR AVAILABLE BALANCE.

1. Actual Balance Versus Available Balance. Your checking account has two kinds of balances: the “actual” balance and the “available” balance. Both can be checked when you review your account online, at a Credit Union-owned ATM, by phone, or at a branch. It is important to understand how these two balances work so that you know how much money is available to you in your account at any given time. This section explains actual and available balances and how they work.

2. Your “Actual Balance.” Your “actual” balance is the amount of money that is actually in your account at any given time, but not all funds included in the actual balance are considered “available” for transactions on your account. The actual balance is also sometimes referred to as your “ledger balance.” Your actual balance reflects transactions that have posted to your account, but it does not reflect transactions that have been authorized and are pending or deposits that may be on hold. While the term “actual” may sound as though the number you see is an up-to-date indication of what is in your account that you can spend, that is not always the case because any purchases, holds, fees, other charges, or deposits made on your account that have not yet posted will not appear in your actual balance. For example:

- Assume you have a \$50 actual balance, but you just wrote a check for \$40, then your actual balance is \$50 but it does not reflect the pending check transaction. Though your actual balance is \$50, you have already spent \$40.

3. Your “Available Balance.” Your available balance is the amount of money in your account that is available to you to use without incurring a fee. The available balance takes into account factors such as holds placed on deposits and pending transactions, like pending debit card purchases, that the Credit Union has *authorized* but that have not yet *posted or settled* to your account. For example:

- Assume you have an actual balance of \$50. If you were to use your debit card at a restaurant to buy lunch for \$20, then that merchant could ask us to preauthorize the payment in that amount (or even a different amount). If the merchant requests preauthorization in the amount of \$20, we will place a “hold” on your account for \$20 (referred to as an “authorization hold”). Your actual balance will still be \$50 because this transaction has not yet posted, but your available balance will be \$30 because of the restaurant’s \$20 preauthorization request. When the merchant submits its bill for payment (which could be days later and for a different amount than the amount of the authorization hold), we will release the authorization hold, post the transaction to your account, and your actual balance will be reduced by the amount of the posted transaction.

4. Your Available Balance and Non-Debit Card Transactions. For ACH transfers, checks, bill payments, and any other non-debit card transactions, we use your available balance at the time a transaction posts to determine whether your account is overdrawn and whether a fee will be assessed. For information on how your available balance works with respect to debit card transactions, please see Section c.

c. AUTHORIZATION HOLDS FOR DEBIT CARD TRANSACTIONS.

1. What is an Authorization Hold? When you use your debit card to pay for goods or services, the merchant may seek preauthorization from us for the transaction. When we preauthorize the transaction, we commit to make the requested funds available when the transaction finally posts and as such, we generally place a temporary hold against some or all of the funds in the account linked to your debit card, based on the amount of the preauthorization request from the merchant. We refer to this temporary hold as an “authorization hold,” and the amount of the authorization hold will be subtracted from your available balance as authorization requests are received by us throughout each day.

2. How Does an Authorization Hold Affect Your Available Balance? Until the transaction finally settles or we otherwise remove the hold (for example, we may remove the hold because it exceeds the time permitted or we determine that it is unlikely to be processed), the funds subject to the hold will not be available to you for other purposes. At some point after you sign for the transaction, it is processed by the merchant and submitted to us for payment. This can happen hours or sometimes days after you sign for it, depending on the merchant and its processing company. We have no control over when a merchant may present an item for payment. Merchant payment requests are received in real time throughout the day and are posted to your account as they are received.

3. The Amount of an Authorization Hold May Differ From the Amount of the Actual Transaction. The amount of an authorization hold may differ from the actual transaction amount because the actual transaction amount may not yet be known to the merchant when the authorization request is submitted. For example, this can happen in connection with transactions where your debit card is authorized before your actual transaction amount is known, such as at a restaurant (where you may choose to add a tip to the transaction amount) or a gas station. For these types of transactions, there may be no authorization hold, or the amount of the authorization hold may be different from the transaction amount. In some other cases we may not receive an authorization request from the merchant, and there will be no authorization hold reflected in your available balance. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment.

4. Length of an Authorization Hold. We are permitted to place an authorization hold on your account for up to three (3) business days (or for up to thirty (30) business days for certain types of debit card transactions) from the time of the authorization or until the transaction is paid from your account. However, if the transaction is not submitted for payment, we will release the authorization hold, which will increase your available balance until the transaction is submitted for payment by the merchant and finally posted to your account. If this happens, we must honor the prior authorization and will pay the transaction from your account.

In certain instances, when the amount of the authorization hold is either more or less than the amount of the actual transaction, we may maintain the authorization hold even after the purchase amount is actually paid from your account, which will decrease your available balance. However, in these instances, we will not maintain an authorization hold for longer than three (3) business days (or for up to thirty (30) business days for certain transactions).

5. Your Available Balance and Debit Card Transactions. One-time debit card transactions are processed against your account at two different times: first, when the transaction is authorized, and again when the transaction actually settles to your account, usually days later. This delay between the time a particular transaction is authorized and when it actually settles to your account is solely within the control of the merchant and its processor. The Credit Union has no control with respect to the time period that elapses between the time a merchant seeks authorization and finally submits the transaction for settlement.

For debit card transactions, we use your available balance at the time a transaction is authorized and again when the transaction settles to your account to determine if each specific transaction will overdraw your account and whether a fee will be assessed. It is important to remember that your available balance may not reflect all of your transactions.

When the Credit Union authorizes a one-time debit card transaction, the amount of the transaction is subject to a preauthorization hold. This means that the amount of the transaction is subtracted from your actual balance. It is important to understand that even if you have sufficient available funds in your account at the time the transaction is authorized, it is possible that the settlement of the transaction may result in an overdraft to your account, and the incurring of a fee. The two most common scenarios are as follows:

- **Example 1: Purchase transactions where the final amount is initially unknown.** The most common examples of a purchase transaction where the final amount is initially unknown are gas station purchases, restaurant charges, hotel and car reservations. In such cases, the transaction will be communicated to the Credit Union for authorization in one amount; but when the transaction actually settles your Account, it does so for a greater amount. For example, if you use your debit card to pay at the pump for a gasoline purchase, you typically must utilize your debit card before operating the pump. The Credit Union may receive an authorization request in the amount of \$15.00. At the time of the authorization request, the available balance in your account is \$30.00; so, the Credit Union approves the authorization request, and the available balance in your account is reduced to \$15.00. You proceed with the transaction and purchase gasoline totaling \$40.00. When that transaction actually settles to your Account in the amount of \$40.00 as opposed to the \$15.00 that was authorized, the available balance in your Account is not sufficient to cover the settlement of the preauthorized transaction. Accordingly, the Credit Union’s payment of the preauthorized transaction results in an overdraft, and you will incur a fee (assuming you have opted into the Credit Union’s payment of overdrafts for one-time debit card transactions).

- **Example 2: Purchase transactions where intervening items paid between authorization and settlement result in the overdrafting of your Account.** Assume the same gas station scenario as described in Example 1, except that you purchase gasoline totaling just \$15.00; therefore, the authorized amount of the transaction is the same as the settlement amount of the transaction. However, between the day the transaction is authorized and the day the transaction settles to your account, a check you wrote in the amount of \$35.00 is presented for payment. The available balance in your account at the time of presentment is \$15.00, but the Credit Union pays the item in accordance with its Courtesy Coverage service, resulting in an overdraft. When the \$15.00 gas station transaction actually settles to your account, the available balance in your account is not sufficient to cover the settlement of the preauthorized transaction, even though the settlement amount of the transaction is the same as the preauthorized amount of the transaction. Accordingly, the Credit Union's payment of the preauthorized transaction results in an additional overdraft, and you will incur a fee (assuming you have opted into the Credit Union's payment of overdrafts for one-time debit card transactions).

For debit card transactions involving merchant authorization holds, we look at the available balance at the time a transaction is authorized and again at settlement to determine whether the transaction will result in an overdraft and a fee. If your available balance is insufficient to pay the preauthorization amount requested by a merchant, and you have not opted into Courtesy Coverage Plus for payment of everyday debit transactions, we will decline the request. If your available balance is sufficient to cover a merchant's authorization request, the authorization request will be approved and an authorization hold will be placed on your account in the amount of the merchant's authorization request.

If your available balance is insufficient to cover a merchant's authorization request, and you have opted into Courtesy Coverage Plus for everyday debit transactions, we may choose to approve the authorization request. In the instance where your available balance is insufficient to cover a merchant's authorization request at the time of authorization without causing the account to have a negative balance, and we choose to authorize the transaction using Courtesy Coverage Plus, we will charge a Courtesy Coverage Fee on that transaction when it posts, regardless of the available balance in the account at the time of posting.

Note that transactions authorized with a merchant as recurring debit card transactions may be covered by Courtesy Coverage regardless of whether you have opted into Courtesy Coverage Plus for the payment of everyday debit card transactions.

d. PAYMENT OF OVERDRAFTS.

1. The Credit Union Has No Obligation to Pay Your Overdrafts. We are not obligated to pay any item presented for payment if your account does not contain sufficient available funds. If we pay a transaction that overdraws your account, we are not obligated to continue paying such transactions in the future. We may pay all, some, or none of your overdrafts, without notice to you. You are liable to us to repay any overdrafts on your account whether you created them or not. If you do not pay us, and we take collection action against you, you agree to pay for any costs of collection. We may close, without notice, any account with excessive overdraft activity, and report the account to a consumer reporting agency.

2. Fees Associated with Overdrawing Your Account – Courtesy Coverage Fees. We assess a fee each time an item is presented for payment that we either pay, resulting in an overdraft, or which we decline to pay because payment of the item would result in an overdraft had we paid it. If we pay an item in accordance with Courtesy Coverage or Courtesy Coverage Plus, we will charge you a Courtesy Coverage Fee. There is no limit on the total fees we can charge you for overdrafting your account.

3. Fees Associated with Overdrawing Your Account – Overdraft Transfer Service. There are fees associated with using our Overdraft Transfer Service. These fees may be less expensive than Courtesy Coverage Fees or NSF Fees. If we pay an item in accordance with our Overdraft Transfer Service, we will charge you an Overdraft Transfer Fee. If you have elected both the Overdraft Transfer Service and Courtesy Coverage/Courtesy Coverage Plus, there are circumstances wherein you will be charged both an Overdraft Transfer Fee and a Courtesy Coverage Fee. These circumstances are discussed in greater detail in Section f. There is no limit to the total fees we can charge you for overdrafting your account.

4. Fees Associated with Overdrawing Your Account – NSF Fees. If we do not pay an item, we will return the item and charge you a NSF Fee each time an item is presented for payment and we return it unpaid due to an insufficient available balance. We have no control over the number of times an intended payee may resubmit the same item to us for payment. There is no limit on the total fees we can charge you for overdrafting your account.

5. Fee Schedule. Please refer to the Fee Schedule for a current listing of all fees associated with overdrawing your account.

6. YOU ACKNOWLEDGE THAT YOU MAY STILL OVERDRAW YOUR ACCOUNT EVEN THOUGH THE AVAILABLE BALANCE APPEARS TO SHOW THERE ARE SUFFICIENT AVAILABLE FUNDS TO COVER A TRANSACTION THAT YOU WANT TO MAKE. This is because your available balance may not reflect all of the outstanding checks, automatic bill payments that you have authorized, or other outstanding transactions that have not yet been paid from your account. For example, you may have written a check that is still outstanding because it has not been submitted for payment by the payee. That check will not be reflected in your available balance until it is presented to us and paid from your account.

In addition, your available balance may not reflect all of your debit card transactions. We have no control over when a merchant submits an item for payment. For example, if a merchant obtains our prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions including, but not limited to, car rental transactions and international transactions), we are required to release the authorization hold on the transaction. Your available balance will not reflect this transaction once the hold has been released. Please refer to the section entitled "Authorization Holds for Debit Card Transactions" for information about how authorization holds affect your available balance.

Finally, your available balance may not reflect the most recent deposits to your account. Please refer to the Funds Availability Policy Disclosure for information regarding the availability of your deposits for withdrawal.

e. HOW TRANSACTIONS ARE POSTED TO YOUR ACCOUNT.

There are basically two types of transactions in your account: credits or deposits of money into your account, and debits or payments out of your account. It is important to understand how each is applied to your account so that you know how much money is available to you at any given time. This section explains generally how and when we post transactions to your account.

When processing items drawn on your account, our policy is to pay them as we receive them. We commonly receive items to be processed against your account(s) multiple times per day in what are referred to as presentment files. Each presentment file received commonly contains a large amount of a specific type of item (checks, ACH transactions, or ATM/POS transactions). It is common for each of these presentment

files to contain multiple items to be processed against your particular account. When multiple items are received at the same time, the items will be paid as follows:

- Checks are paid in the order received;
- ACH items in each presentment file post credits first in the order presented, then debits in the order presented (we typically receive up to four ACH presentment files per day);
- ATM/POS items are paid in the order they are presented; and
- Transactions performed in person, such as withdrawals or checks cashed at one of our locations or a shared branch, are generally paid at the time they are performed.

The order in which items are paid is important if your account does not contain sufficient available funds to pay all of the items that are presented. If an item is presented for payment and your available balance is insufficient to pay it, we may, at our discretion, automatically transfer available funds from your designated account pursuant to the Overdraft Transfer Service, pay the item pursuant to Courtesy Coverage/Courtesy Coverage Plus, or return the item (NSF).

Please understand that the above information is only a general description of how certain types of transactions are posted. These practices may change, and the Credit Union specifically reserves the right to pay items in any order, as permitted by law.

f. OPTIONAL OVERDRAFT PROTECTION PLAN – OVERDRAFT TRANSFER SERVICE.

1. Overdraft Transfer Service. We offer an optional overdraft protection plan that we refer to as our “Overdraft Transfer Service,” where funds from a linked savings account are used for overdraft protection. We will look first to this service for overdraft protection before applying our discretionary Courtesy Coverage/Courtesy Coverage Plus Overdraft Service when your account is overdrawn. The Overdraft Transfer Service may save you money on the total fees you pay us for overdraft protection.

With this service, you authorize us to make transfers of available funds automatically from your regular savings account, plus the overdraft transfer fees, to cover overdrafts in your checking account. The Overdraft Transfer Service is an optional feature that can be added to your eligible checking accounts upon your request. To request or terminate the Overdraft Transfer Service: (1) call us at 269-375-6702; (2) visit any branch and speak with a Representative; or (3) mail a request to 1551 S. 9th Street, Kalamazoo, MI 49009.

Overdrafts paid pursuant to the Overdraft Transfer Service are subject to a per-item Overdraft Transfer Fee as set forth in the Fee Schedule.

If you decline or terminate the Overdraft Transfer Service and are not eligible for Courtesy Coverage/Courtesy Coverage Plus, and there are insufficient available funds in your checking account to pay an item, your item will not be paid unless it was a previously authorized everyday debit card transaction. The items will be returned, and an NSF fee will be charged, **each time an item is presented for payment and returned unpaid due to an insufficient available balance.** It is important to remember that we have no control over how many times an intended payee may present the same item for payment. Multiple presentments of the same item will result in multiple fees. Transfers will appear on your periodic statements for each applicable account.

2. Limits on Overdraft Transfer Service. We will not transfer more than the available account balance in designated linked account if the amount of the overdraft and related fee(s) exceed the available amount. If the available balance in a designated linked account is not enough to pay the full amount of the transaction(s) you have initiated on any day plus the Overdraft Transfer Fee(s), we will transfer up to the available balance to pay one or more transactions, plus the applicable fee for each item. Any transactions that are not paid by the transfer will either be paid through our Courtesy Coverage/Courtesy Coverage Plus Service or returned, and Overdraft Transfer Fees, Courtesy Coverage Fees, and/or NSF Fees, as applicable, will be assessed.

The following example illustrates how this works if you have elected **both** Overdraft Transfer Service and Courtesy Coverage Overdraft Service:

Assume your actual and available balances in your checking account are both \$50, and your available balance in your savings account is \$10. You write a check for \$80. When the check is presented for payment, because you don't have \$80 available in your checking account or regular savings account, the item cannot be fully paid using the Overdraft Transfer Service from the regular savings account. However, if you have also elected Courtesy Coverage, we may elect to transfer the \$10 in your linked savings account and pay the remaining portion of the item using Courtesy Coverage. In such case, you will be assessed both an Overdraft Transfer Fee and a Courtesy Coverage Fee.

However, because Courtesy Coverage is a discretionary service, we may instead elect to decline to pay the transaction. If we decline to pay the transaction, we will not transfer any funds from your linked savings account, we will decline the transaction, and we will assess you an NSF Fee each time the item is presented for payment. It is important to remember that we have no control over how many times an intended payee may present the same item for payment. Multiple presentments of the same item will result in multiple fees.

3. We May Return Items Unpaid. We are not obligated to pay any item presented for payment if your account does not contain sufficient available funds. If we do not authorize and pay an overdraft, then we decline or return the transaction or item unpaid and charge a related NSF Fee as stated in our Fee Schedule. You are responsible for ensuring that your account includes sufficient available funds to pay the transactions you initiate or authorize when they are processed for payment from your account, and you also acknowledge that the timing of when merchants or payees submit transactions to us for payment may vary.

If your account does not have sufficient available funds when a transaction or item is presented to us for payment and, as a result, returned unpaid, the merchant or payee of your transaction or item may choose to resubmit the same transaction, and may do so multiple times. In the event a transaction or item is resubmitted for payment at a time when your account lacks sufficient available funds to pay it and we decline it, we will charge a related NSF Fee **each time** that same transaction is returned unpaid.

4. Termination of Overdraft Transfer Service. We may terminate the Overdraft Transfer Service at any time with or without notice to you. Any owner of the checking account or any owner of a linked regular savings account used for overdraft protection may decline the Overdraft Transfer Service. To terminate the Overdraft Transfer Service: (1) call us at 269-375-6702; (2) visit any branch and speak with a Representative; or (3) mail notice of your decision to decline the Overdraft Transfer Service to 1551 S. 9th Street, Kalamazoo, MI 49009. Your election to decline will be effective after we have received notice and have had a reasonable time to act on it.

g. COURTESY COVERAGE/COURTESY COVERAGE PLUS OVERDRAFT SERVICE

1. Courtesy Coverage. In accordance with our commitment to provide valued service and benefits, we may, if you qualify and at our discretion, pay overdrafts that would cause your eligible checking account to have a negative balance up to the amount of your limit, which is determined by us in our sole and absolute discretion. Courtesy Coverage is different than the Overdraft Transfer Service. Courtesy Coverage is a backup to the Overdraft Transfer Service and will only be activated if funds are not available from the Overdraft Transfer Service.

2. What Overdraft Transactions are Covered? Courtesy Coverage is available for the payment of checks, preauthorized payments under our Bill Payment Service, ACH drafts, and recurring debit transactions. Courtesy Coverage is also available for everyday debit card transactions if you opt-into Courtesy Coverage Plus, as described in the next section below.

3. Optional Overdraft Transactions- Courtesy Coverage Plus. The following types of transactions require you to “opt in” to Courtesy Coverage Plus (in other words, you must provide us with your affirmative consent by making your election on the “What You Need to Know Overdrafts and Fees”) if you would like to include them in Courtesy Coverage. Choosing not to opt in may result in these transactions being declined:

- ATM transactions
- One-time Debit Card transactions

We do not require you to authorize Courtesy Coverage Plus for your ATM and one-time debit card transactions as a condition of us providing Courtesy Coverage to you for your checks, ACH transactions or other transactions. If you want the Credit Union to authorize and pay overdrafts for ATM and one-time debit card transactions through Courtesy Coverage Plus, you must provide us with your consent by reviewing and completing the “What You Need to Know Overdrafts and Fees” disclosure and providing it to us by any one of the methods described on the disclosure. If you have questions about the opt in process, please call us at 269-375-6702 or visit any branch to speak with a Representative.

4. Eligibility for Courtesy Coverage/Courtesy Coverage Plus. Courtesy Coverage/Courtesy Coverage Plus is not a credit product. It is a feature that is automatically included with eligible checking accounts (unless you decline Courtesy Coverage/Courtesy Coverage Plus entirely as described below or information we get from a consumer reporting agency does not meet Credit Union standards). Eligibility is at the sole discretion of the Credit Union and is based on you managing your checking account in a responsible manner. Courtesy Coverage/Courtesy Coverage Plus may be available for checking accounts for which the primary checking account owner is 18 years of age or older. We reserve the right to limit Courtesy Coverage/Courtesy Coverage Plus to one (1) account per household or member. We may suspend or permanently revoke Courtesy Coverage/Courtesy Coverage Plus from your checking account, in our sole and absolute discretion, based on any one or more of the following criteria:

- You are not making regular deposits into your checking account;
- You do not bring your checking account to a positive balance for at least one full business day within a thirty (30) day period;
- Your membership is not in good standing;
- You are more than thirty (30) days past due or are in default in any other respect on any loan or other obligation to us;
- You have an outstanding balance due on an overdraft repayment plan;
- Your primary savings account does not have a positive balance;
- Your checking account is subject to any legal or administrative orders or levies;
- You have insufficient credit or negative credit history;
- You are a party to a bankruptcy proceeding;
- Any or all of your account(s) with us are being reviewed for improper activity or transactions;
- Your checking account is classified as inactive;
- You use the Service to pay items written to check cashing agencies;
- You have an unresolved prior loss with us; or
- We believe you are not managing your checking account in a responsible manner which may harm you or us.

5. Courtesy Coverage/Courtesy Coverage Plus is a Discretionary Privilege. Any payment made by us under Courtesy Coverage/Courtesy Coverage Plus will be made on a case-by-case basis, in our sole and absolute discretion. Courtesy Coverage/Courtesy Coverage Plus does not constitute an actual or implied agreement between you and the Credit Union, nor does it constitute an actual or implied obligation of the Credit Union. Courtesy Coverage/Courtesy Coverage Plus is a privilege that the Credit Union provides from time to time and which may be withdrawn or withheld by the Credit Union at any time, without prior notice, reason or cause.

6. Notification. If you qualify for Courtesy Coverage/Courtesy Coverage Plus, we will notify you that it has been added to your account. However, we may refuse to pay an overdraft at any time, even though we may have previously paid overdrafts. We have no obligation to notify you before we pay or return any item. It is important to remember that Courtesy Coverage/Courtesy Coverage Plus is a purely discretionary benefit offered by the Credit Union. If at any time we determine that your account is no longer eligible for Courtesy Coverage/Courtesy Coverage Plus for any reason, we can discontinue it immediately without notice to you.

7. How Courtesy Coverage/Courtesy Coverage Plus is Administered. If you are eligible for the Service, we will generally pay your overdraft items up to a maximum amount established by the Credit Union in its sole and absolute discretion, including fees. We are not required to notify you of any nonsufficient funds checks, ACH items, or other transactions that may have been paid or returned. We may refuse to pay any overdrafts without first notifying you even though your account is in good standing and even if we have paid previous overdrafts.

8. When is the overdraft payment due? The total of the overdraft (negative) balance in your checking account, including any and all fees and charges, is due and payable upon demand, and you are required to immediately deposit sufficient funds to cover the overdraft paid by us and pay the related fees.

9. Courtesy Coverage Fees. A Courtesy Coverage Fee will be charged to your checking account, in accordance with our Fee Schedule, for each overdraft that is authorized and paid through the Service. This means that more than one Courtesy Coverage Fee may be assessed against your checking account per day depending upon the number of overdrafts authorized and paid through Courtesy Coverage/Courtesy Coverage Plus. You understand that your Courtesy Coverage Limit will be reduced by the amount of each overdraft paid by us through Courtesy Coverage and the amount of the related Courtesy Coverage Fee imposed until such amounts are repaid by you as set forth herein at which time we may replenish your Courtesy Coverage Limit by the amount of the repayment. If we choose not to pay the item/transaction under Courtesy Coverage/Courtesy Coverage Plus, you are subject to a Non-Sufficient Funds (NSF) Fee in accordance with our Fee Schedule for each such item each time it is presented for payment and returned unpaid due to an insufficient available balance. Your periodic statement will itemize Courtesy Coverage Fees and NSF Fees for each cycle, as well as the year-to-date total of fees.

10. Transfers to Cover Overdrafts. You understand and agree that we have the right to transfer available funds to your checking account from any of your other account(s) with us (excluding IRAs and certificate accounts), including account(s) upon which you are a joint owner, in an amount equal to the overdraft and related fees.

11. Right of Setoff. In addition to any other rights that we may have, you agree that any liabilities, obligations or other amounts owed to us by you (e.g. overdrafts and any related fees and charges) are subject to our right of setoff as set forth in Section 19 of the Membership and Account Agreement. Moreover, unless you decline Courtesy Coverage/Courtesy Coverage Plus (see below), you consent and expressly agree that the application of setoff of funds in any account includes the setoff of government benefits (such as Social Security and other public benefit funds) deposited to the account from which the overdraft or related fees are paid to the maximum extent permitted by applicable state and federal law. Each person who causes an overdraft, which is paid by us, agrees to be individually and jointly obligated to repay the unpaid negative balance in accordance with the terms and conditions of Courtesy Coverage/Courtesy Coverage Plus.

12. Default. You will be in default under the terms of Courtesy Coverage/Courtesy Coverage Plus if you fail to live up to any of the terms and conditions set forth herein or you are in default on any loan obligation with us and/or a negative balance exists in any other deposit account with us on which you are an owner. If you are in default, in addition to any other rights we may have, we may temporarily suspend overdraft privileges, terminate Courtesy Coverage/Courtesy Coverage Plus, or close your checking account and demand immediate payment of the entire unpaid negative balance. You also agree to pay any collection costs, attorneys' fees and court costs that we may incur as a result of your default as set forth in Section 33 of the Membership and Account Agreement.

13. Termination; Suspension. We may terminate or suspend Courtesy Coverage/Courtesy Coverage Plus at any time without prior notice. In no event will any termination relieve you of your obligation to repay any negative account balance, overdraft fees, collection costs and attorneys' fees, if any. We can delay enforcing any of our rights without losing them.

14. Your Right to Decline Courtesy Coverage/Courtesy Coverage Plus. Any owner of the checking account may decline the service. If you prefer not to have the Service, visit us in a branch, contact us at 269-375-6702, or write to us at 1551 S. 9th Street, Kalamazoo, MI 49009, and include your name, member number and a statement that you are declining the Credit Union's Courtesy Coverage/Courtesy Coverage Plus Service and we will remove the Service from your checking account. If you decline the Service, you will still be charged an NSF Fee for each item returned each time an item is presented for payment and returned unpaid due to an insufficient available balance.

15. Optional Overdraft Protection Plans. As discussed in more detail above, we also offer the optional Overdraft Transfer Service which links your checking account to a savings account, as well as other overdraft sources and may be less expensive than Courtesy Coverage/Courtesy Coverage Plus. To learn more, please ask us about these plans.

THE BEST WAY TO KNOW HOW MUCH MONEY YOU HAVE AND AVOID PAYING OVERDRAFT FEES IS TO RECORD AND TRACK ALL OF YOUR TRANSACTIONS CLOSELY.

PLEASE REVIEW THIS INFORMATION CAREFULLY. IF YOU HAVE ANY QUESTIONS, PLEASE CONTACT US AT 800 375-6702 OR VISIT ANY BRANCH.

14. POSTDATED AND STALEDATED CHECKS OR DRAFTS - You agree not to issue any check or draft that is payable on a future date (postdated). If you do draw or issue a check or draft that is postdated and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account that is presented more than six months past its date; however, if the check or draft is paid against your account, we will have no liability for such payment.

15. STOP PAYMENT ORDERS

a. Stop Payment Order Request. Any owner may request a stop payment order on a check or draft drawn on the owner's account. To be binding, the order must accurately describe the check or draft, including the exact account number, check or draft number, and amount of the check or draft. This exact information is necessary for the Credit Union to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity to act on it. If we recredit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft, and to assist us in any legal action. Fees for stop payment orders are set forth in the Truth-in-Savings Disclosure or Fee Schedule.

b. Duration of Order. You may make an oral stop payment order which will lapse within 14 calendar days unless you confirm it in writing, or in a record if allowed by applicable law, within that time. A written stop payment order is effective for six months and may be renewed for additional six-month periods by submitting a renewal request in writing, or in a record if allowed by applicable law, before the stop payment order then in effect expires. We do not have to notify you when a stop payment order expires.

c. Liability. Although payment of a check or draft may be stopped, you may remain liable to any holder of the check or draft, including us. You have the burden of establishing the fact and amount of loss resulting from the payment of a check or draft contrary to a binding stop payment order. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees and all damages or claims related to our refusal to pay a check or draft, as well as claims of any joint account owner or of any payee or endorsee for failing to stop payment of a check or draft as a result of incorrect information provided by you.

d. Items Subject to Other Rules. For cashier's checks, teller's checks, or certified checks that have been lost, destroyed, or stolen, refer to provisions elsewhere in this Agreement which describe the claims process for recovering the amount of such a check. For preauthorized debit transactions, which are governed by Regulation E, refer to the Electronic Fund Transfers Agreement and Disclosure for rules regarding stop payments on such transactions.

16. LOST, DESTROYED, OR STOLEN CASHIER'S CHECKS, TELLER'S CHECKS, OR CERTIFIED CHECKS - Generally, you cannot place a stop payment on a cashier's check, teller's check, or certified check that has been lost, destroyed, or stolen because the law treats these types of checks differently than ordinary checks. However, you may be able to assert a claim for the amount of the check. Article 3 of the UCC as adopted by the state in which we are located controls your and our rights and obligations with respect to these types of checks. Please contact us regarding the specific procedures for submitting a claim for a lost, destroyed, or stolen cashier's check, teller's check, or certified check.

17. CREDIT UNION LIABILITY - If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if, for example: (1) your account contains an insufficient available balance for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We are not responsible for a check or draft that is paid by us if we acted in a commercially reasonable manner and exercised ordinary care. We exercise ordinary care if our actions or nonactions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearing house rules, and general financial institution practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict regarding what you and our employees say or write will be resolved by reference to this Agreement.

18. CHECKS OR DRAFTS PRESENTED FOR PAYMENT IN PERSON - We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft, and we shall have no liability for refusing payment. If we agree to cash a check or draft that is presented for payment in person, we may require the presenter to pay a fee. Any applicable check or draft cashing fees are stated in the Fee Schedule.

19. REMOTELY CREATED CHECKS OR DRAFTS - For purposes of this paragraph, "account" means a transaction account, credit account, or any other account on which checks or drafts may be drawn. A remotely created check or draft is a check or draft created by someone other than the person on whose account the check or draft is drawn. A remotely created check or draft is generally created by a third-party payee as authorized by the owner of the account on which the check or draft is drawn. Authorization is usually made over the telephone or through online communication. The owner of the account does not sign a remotely created check or draft. In place of the owner's signature, the remotely created check or draft usually bears a statement that the owner authorized the check or draft or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check or draft against your account, you may not later revoke or change your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check or draft for which the third party has proof of your authorization.

20. PLEDGE, RIGHT OF OFFSET AND STATUTORY LIEN - Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account(s) for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. You agree we have the right to offset funds in any of your accounts against the obligation owed to us. Federal or state law (depending upon whether we have a federal or state charter) gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by federal or state law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you.

Your pledge and our statutory lien rights will allow us to apply the funds in your account(s) to what you owe when you are in default, except as limited by federal or state law. If we do not apply or offset the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply or offset the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under federal or state law if given as security. By not enforcing our right to apply or offset funds in your account(s) to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

21. LEGAL PROCESS - If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved, as permitted by law. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

22. ACCOUNT INFORMATION - Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

23. COOPERATION IN LOSS RECOVERY EFFORTS. Except where prohibited by law, you agree to fully cooperate in any effort we undertake to recover funds that were taken from your account without authorization. For example, you will sign affidavits of loss or forgery that may be required by our insurance company. You also agree to cooperate fully in any prosecution that may be initiated by the proper authorities pursuant to us filing a complaint about unauthorized activities involving your account.

24. NOTICES

a. Name or Address Changes. You are responsible for notifying us of any name or address change. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Fee Schedule.

b. Notice of Amendments. Except as prohibited by applicable law, we may amend this Agreement by adding, removing, or changing terms at any time. We will notify you, in a manner we deem appropriate under the circumstances, of any changes in terms, rates or fees as required by law. We reserve the right to waive any terms of this Agreement. Any such waiver shall not affect our right to future enforcement.

c. Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is provided electronically or is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address, and will be effective whether or not received by you. Notice to any account owner is considered notice to all account owners.

d. Electronic Notices. If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

25. TAXPAYER IDENTIFICATION NUMBER AND BACKUP WITHHOLDING - You agree that we may withhold taxes from any dividends or interest earned on your account as required by federal, state or local law or regulations. Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal

Revenue Service a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN within a reasonable time, we may suspend opening your account or close your account and return the balance to you, less any applicable service fees.

26. STATEMENTS

a. Contents. If we provide a periodic statement for your account, you will receive a periodic statement that shows the transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one statement is necessary for joint accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the Credit Union and may not be returned to you, but copies of the check or draft may be retained by us or by payable-through financial institutions and may be made available upon your request. You understand and agree that statements are made available to you on the date they are mailed to you or, if you have requested, on the date they are made available to you electronically. You also understand and agree that checks, drafts, or copies thereof are made available to you on the date the statement is mailed to you or is provided to you electronically, even if the checks or drafts do not accompany the statement.

b. Examination. You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies that are reflected on your statement within 33 days of the date we sent or otherwise provided the statement to you, we will not be responsible for your loss. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of facsimile signature equipment.

Unauthorized electronic fund transfers governed by Regulation E are subject to different reporting periods. Please refer to the Electronic Fund Transfers Agreement and Disclosure for reporting requirements pertaining to electronic fund transfers.

c. Notice to Credit Union. You agree that the Credit Union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes, and we will not be liable for any payment made or charge to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

d. Address. If we mail you a statement, we will send it to the last known address shown in our records. If you have requested to receive your statement electronically, we will send the statement or notice of statement availability to the last email address shown in our records.

27. INACTIVE ACCOUNTS - As allowed by applicable law, we may classify your account as inactive or dormant and assess a fee if you have not made any transactions in your account over a specified period of time. The period of inactivity, the fee for servicing an inactive or dormant account, and the minimum balance required to avoid the service fee, if any, are set forth in our Fee Schedule. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable or reserve account and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will then be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds. If you choose to reclaim such funds, you must apply to the appropriate state agency.

28. SPECIAL ACCOUNT INSTRUCTIONS - You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. We may require that account changes requested by you, or any account owner, such as adding or closing an account or service, be evidenced by a signed Account Change Card, Member Services Request, or other document which evidences a change to an account and accepted by us.

29. TERMINATION OF ACCOUNT(S) AND SERVICE(S) - We, in our sole discretion, may terminate, limit or restrict, as we in our sole discretion deem appropriate, any of your account(s) or service(s), including but not limited to loan services and electronic services, or place a freeze on any sums on deposit with us at any time without notice or require you to close your account(s)/service(s). We may also require you to apply for a new account(s)/service(s) if: (1) there is a request to change the owners or authorized users; (2) there is a fraud/forgery or unauthorized use committed or reported; (3) there is a dispute as to ownership of any account or sum on deposit; (4) there are any checks that are lost or stolen; (5) there are returned unpaid items-transactions not covered by an overdraft protection plan with us or any abuse of any such plan per our assessment thereof; (6) there is any misrepresentation regarding any account(s) or service(s) or any other abuse of any of your accounts(s) or service(s); (7) the Credit Union incurs any loss or believes it may incur any loss relating to any loan(s), account(s) or service(s) you have with us; (8) if we believe you have been negligent in protecting any access devices or codes; (9) we deem it necessary to protect the Credit Union from any risks or losses, or otherwise deem it to be in the best interests of the Credit Union, our members or our employees; (10) you breach any promise under this Agreement or any other agreements with us including but not limited to any default or other delinquency with regard to any loan or other agreements; (11) if bankruptcy or any other insolvency proceeding is filed by or against you, or if we otherwise deem you to be insolvent or incapable of meeting your obligations to us; (12) you refuse or fail to cooperate as provided in this Agreement; or (13) you violate any Credit Union policy, procedure or standard or any law, regulation or rule. We, on our own accord, may place a stop payment on any check, draft, item or transaction if we are notified or otherwise reasonably believe that any of the foregoing circumstances have occurred. If you do not accept any deposit or part of a deposit that we attempt to return after termination, then such deposit will no longer earn dividends. You may terminate an individual account by notifying us in writing. We have the right to require the written consent of all owners to terminate a joint account. We are not responsible for any check, draft, withdrawal, item or transaction after your account is terminated. However, if we pay any item after termination, you agree to reimburse us.

30. TERMINATION OF MEMBERSHIP - You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all of your accounts. You may be expelled from membership for any reason allowed by applicable law.

31. DEATH OR INCOMPETENCE - We may honor all transfer orders, withdrawals, deposits, and other transactions on an account until we know of a member's death or adjudication of incompetence. Even with such knowledge, we may continue to pay checks or drafts drawn on the deceased member's account for a period of ten days after the member's death unless we receive instructions from any person claiming an interest in the account to stop payment on the checks or drafts. To the extent permitted by law, we may require anyone claiming funds from a deceased owner's account to indemnify us for any losses we sustain if we honor that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.

32. UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL ACTIVITIES - You agree that you are not engaged in unlawful internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful internet gambling or other illegal activities.

33. SEVERABILITY - If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

34. ENFORCEMENT - You are liable to us for any losses, costs, or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs, or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post judgment collection actions.

35. GOVERNING LAW - This Agreement is governed by the following, as amended from time to time: the Credit Union's bylaws; local clearing house and other payment system rules; federal laws and regulations, including applicable principles of contract law; and the laws and regulations of the state of Michigan. As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county in which the Credit Union is located.

36. NEGATIVE INFORMATION NOTICE - We may report information about your loan, share, or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

37. MONITORING AND RECORDING COMMUNICATIONS - We may monitor and record communications between you and us, including telephone conversations, electronic messages, electronic records, or other data transmissions that affect your accounts or other products and services. Except as otherwise prohibited by applicable law, you agree we may monitor and record such communications without your approval or further notice to you.

38. FINANCIAL EXPLOITATION - As permitted by law, we may act or decline to act to prevent, stop, or mitigate financial exploitation of an adult. For example, we may: (1) delay, decline, or place a hold on a transaction or disbursement involving the adult; (2) approve or deny other requests or modifications to the account, such as a transfer of funds, change in ownership, or change in beneficiaries; or (3) notify a third party of the financial exploitation. We will not be liable for the actions we take on the account if we act in good faith and exercise reasonable care. For purposes of this section, "adult" means vulnerable adult, elder adult, senior adult, eligible adult, or other person as defined by applicable law.

39. CONSENT TO CONTACT - By signing or otherwise authenticating an Account Card, you agree we and/or our third-party providers, including debt collectors, may contact you by telephone call, text message, or voicemail transmission at any telephone number associated with your account, including wireless telephone numbers (i.e., cell phone numbers) which could result in charges to you, in order to service your account or collect any amounts owed to us, excluding any contacts for advertising and telemarketing purposes as prescribed by law. You further agree methods of contact may include use of pre-recorded or artificial voice messages, and/or use of an automatic dialing device. You may withdraw the consent to be contacted on your wireless telephone number(s) at any time by providing written notice to us at 1551 S. 9th Street, Kalamazoo, MI 49009 or by any other reasonable means. If you have provided a wireless telephone number(s) on or in connection with any account, you represent and agree you are the wireless subscriber or customary user with respect to the wireless telephone number(s) provided and have the authority to give this consent. Furthermore, you agree to notify us of any change to the wireless telephone number(s) which you have provided to us.

In order to help mitigate harm to you and your account, we may contact you on any telephone number associated with your account, including a wireless telephone number (i.e., cell phone number), to deliver to you any messages related to suspected or actual fraudulent activity on your account, data security breaches or identity theft following a data breach, money transfers or any other exigent messages permitted by applicable law. These contacts will not contain any telemarketing, cross-marketing, solicitation, advertising, or debt collection message of any kind. The contacts will be concise and limited in frequency as required by law. You will have an opportunity to opt-out of such communications at the time of delivery.

40. MANDATORY ARBITRATION OF DISPUTES AND CLAIMS - Arbitration is a method of deciding disputes outside the court system. The parties agree and understand that they choose arbitration instead of litigation to resolve all claims and disputes not specifically excluded. This provision governs when and how any disputes you and we may have will be decided. Unless specifically prohibited by applicable law all disputes, claims, damages, choses in action, claims for injunctive relief or controversies arising from or relating in any way to the agreements, relationships, accounts, loans, or security agreements between you and us; the relationships which result or arise as a result of this Agreement; any rights, privileges or services you receive from us now or in the future; any claims or disputes arising in or ancillary to any bankruptcy or other insolvency proceeding; or the validity of this clause (together referred to collectively as Agreement), shall be resolved by binding arbitration by a single arbitrator chosen with the mutual consent of the parties. The arbitrator must be an attorney with more than ten (10) years' experience or a retired judge. If for any reason the parties do not consent to an arbitrator within thirty (30) days from the date that notice of a claim or intent to arbitrate is provided to the other party, then an arbitrator will be selected pursuant to the Rules of the American Arbitration Association ("AAA"). This arbitration Agreement is made pursuant to a transaction in Interstate Commerce, and shall be governed by the Federal Arbitration Act ("FAA") at 9 USC § 1, et seq., as amended from time to time. It is understood and agreed that your Credit Plan Agreement(s), your Accounts, all transactions on your Accounts, and any dispute defined herein shall involve Interstate Commerce. If any dispute between us does not involve Interstate Commerce, such dispute shall be governed by the Arbitration Act for the State set forth in this Membership Agreement, as amended from time to time, in which case all references to the FAA herein shall be to said State Act. **If the State has no Arbitration Act, then the parties will be governed by the Rules of the American Arbitration Act in any matter not involving interstate commerce.** The parties agree and understand that the arbitrator shall have all power provided by the law and this Agreement to make and enter findings of fact and determination of judgment based on the parties' Agreements and applicable law, including but not limited to the rights of possession, off-set, property rights, money damages, declaratory relief, and injunctive relief. No arbitrator shall have the jurisdiction or authority to add to, take from, nullify or modify any of the terms of the Agreement. The arbitrator shall be bound by the facts and evidence submitted to him. Arbitration will be subject to the rules of procedure and evidence consistent with the Rules of the American Arbitration Association, and the Arbitrator will not apply federal or state rules. The decision of the arbitrator shall be final and binding and may be enforced in accordance with the terms of either the Federal or applicable State Law, except for any specific appeal right regarding a judgment under the FAA or a judgment for more than \$100,000. For these judgments, any party may appeal to a three-arbitrator panel appointed by and under the rules of the AAA. The decision of the panel will be by majority vote and will be final and binding except for any specific appeal right under the FAA. All provisions of this Arbitration Agreement will apply to the panel. Judgment upon the award rendered may be entered in any court having jurisdiction.

YOU ACKNOWLEDGE THAT YOU AND WE AGREE THAT NO CLASS ACTION, CLASS-WIDE ARBITRATION, PRIVATE ATTORNEY GENERAL ACTION, OR OTHER PROCEEDING WHERE SOMEONE ACTS IN A REPRESENTATIVE CAPACITY, MAY BE PURSUED IN ANY ARBITRATION OR IN ANY COURT PROCEEDING, REGARDLESS OF WHEN THE CLAIM OR CAUSE OF ACTION AROSE OR ACCRUED, OR WHEN THE ALLEGATIONS OR FACTS UNDERLYING THE CLAIM OR CAUSE OF ACTION OCCURRED. Unless mutually agreed to by you and us, claims of two or more persons may not be joined, consolidated, or otherwise brought together in the same arbitration (unless those persons are joint account holders or beneficiaries on your account and/or related accounts, or parties to a single transaction or related transaction), whether or not the claim may have been assigned. **WITH THE EXCEPTION EXPLAINED HEREIN, THE PARTIES AGREE AND UNDERSTAND THAT ALL DISPUTES (INCLUDING ALL LEGAL AND EQUITABLE RIGHTS AND REMEDIES) ARISING UNDER CASE LAW, STATUTORY LAW, AND ALL OTHER LAWS INCLUDING, BUT NOT LIMITED TO, ALL CONTRACT, TORT, REGULATORY, AND PROPERTY DISPUTES WILL BE SUBJECT TO BINDING ARBITRATION IN ACCORD WITH THIS AGREEMENT.**

Notwithstanding anything hereunto the contrary, the Credit Union retains an option to use judicial or non-judicial relief to enforce a security agreement relating to any collateral pledged to secure the Agreements between the parties, to enforce all monetary obligations by you to the Credit Union so long as there is no dispute that is subject to mandatory arbitration, or to foreclose on any collateral securing your obligations to us by way of replevin, claim and delivery, or otherwise. The initiation and maintenance of an action for judicial relief in a court [on the foregoing terms] shall not constitute a waiver of the right of any party to compel arbitration regarding any other dispute or remedy subject to arbitration in this Agreement, including the filing of a counterclaim in any action brought by the Credit Union pursuant to this provision.

Any arbitration proceeding will take place in the federal judicial circuit where the Credit Union maintains a branch that is the closest Credit Union branch to your primary place of business. Each party must bear all of their own expenses, including the party's own attorneys, experts, and witnesses, regardless of who wins the arbitration, except to the extent that applicable law specifically requires otherwise. The rules of the AAA will be applied to any arbitration between the parties, except in the event of any inconsistency between this Agreement and the rules of the AAA, in which case this Agreement will govern.

a. Costs, Expenses, and Attorney's Fees. All owners of account(s) or service(s) with us agree, jointly and severally, to pay us for all costs and expenses, including attorneys' fees we may incur: (1) If it is necessary for us to bring any legal or other action to collect any sum you owe the Credit Union; (2) If we incur any costs or expense as a result of any order or instruction received from any owner or any owner's agent under this Agreement, any adverse claim, or legal process; your failure to comply with any obligation in this Membership Agreement or otherwise; (3) If we incur any expense as a result of any dispute, adverse or inconsistent claims; (4) If we bring any action contemplated in this Agreement; (5) If we successfully defend any claim against the Credit Union brought by any owner, agent, personal representative, executor, heir or other party in interest brought via any formal or informal process (including but not limited to arbitration or mediation) involving your accounts or services with us; or (6) If we deem it necessary to seek the advice or opinion of legal counsel or other professionals regarding the bona fides or legality of any transaction(s) to/from your accounts or involving any services with us, or any request for information or documentation regarding any of your accounts and/or services with us. If you are responsible to pay us any costs of collection or legal expenses incurred in collecting any amount you owe; in enforcing or protecting our rights under this Agreement or otherwise; or as provided in this subsection, including but not limited to costs of repossession, repair, appraisal, and all other costs or expenses, you agree to pay us the actual amount of such costs and expenses together with reasonable attorneys' fees. In the case of any collection action you agree that 20% of the unpaid balance or such greater sum as may be appropriate based on the circumstances shall be a reasonable amount, unless applicable law specifically provides otherwise. Further, you agree to pay the Credit Union an additional sum for any costs, legal expenses or attorneys' fees incurred in any appellate, bankruptcy or post-judgment proceedings, except as limited or prohibited by applicable law. Any costs, expenses or fees hereunder will be paid from any of your account(s) with the Credit Union before payment to any owner or other party. If the amounts in your account(s) are not sufficient, then the owner(s) of the affected account(s) or parties to any applicable services will immediately pay any difference.

b. Permitted Time for Filing a Claim. You must file any claim against us within one year after the cause of action arises, unless federal or state law or an applicable agreement provides for a shorter time. This limit is in addition to limits on notice as a condition of making a claim.

c. Indemnity. If, by following your instructions, we are exposed to a claim or suit by an adverse claimant, you shall hold us harmless and indemnify us from any losses, expenses, liabilities or damages including actual attorneys' fees resulting from such a claim or suit. If you ask us to follow instructions that we believe might expose us to claims, suits, losses, expenses, liabilities or damages, whether directly or indirectly, we may refuse to follow your instructions, or we may require a bond or other protections.

You agree as set forth above to provide sufficient funds to cover any overdraft and any penalties assessed upon notice of the overdraft, and to reimburse us for any costs we incur in collecting the overdraft, including, without limitation, reasonable attorney's fees and the costs of litigation, to the extent permitted by law.

You agree to indemnify and hold us harmless from any liability loss, costs, or expenses, including reasonable attorney's fees, to the extent permitted by law, that we incur as a result of any dispute involving your account, including any loss, costs, or expenses resulting from a delay in the forward collection or return of any check you deposit caused by improper placement of endorsements or other material on the back of the check that affects the ability to endorse the items as required by federal regulations. You authorize us to deduct any such loss, costs, expenses, or attorney's fees from your account without prior notice to you. In the event we become a party to any legal proceedings between you and any third parties or between members of your organization, you agree to indemnify us and hold us harmless from any liability for any loss, costs, or expenses, including reasonable attorney's fees, to the extent permitted by law, that we incur as a result of any such proceeding. We may exercise our right of offset to recover such amounts from your accounts. This obligation includes situations that cause us, in good faith, to seek the advice of counsel, whether or not we actually become involved in a dispute.

MOMENTUM CHECKING ACCOUNT DESCRIPTION AND TRUTH-IN-SAVINGS DISCLOSURE

Account Description. The Momentum Checking Account is a free, variable rate checking account with no minimum balance that earns dividends on balances up to \$15,000.00 when you meet minimum requirements during the account's monthly statement cycles. No minimum deposit is required to open the Momentum Checking Account. The Momentum Checking Account is not to be used for commercial purposes and there is a limit of one (1) account of this type per social security number.

By selecting the Momentum Checking Account, the account is added to and governed by the terms and conditions set forth in the Membership and Account Agreement.

Account Qualification Requirements. To obtain the annual percentage yield (APY) disclosed in the rate schedule, you must meet the following requirements.

- Consent to receiving electronic statements (eStatements) instead of paper statements
- Receive a direct deposit of at least \$500 into the Momentum Checking Account each month
- Meet the minimum debit card transaction thresholds each month for the corresponding APY in the rate schedule.

For eligibility purposes, debit card transactions include both signature based and PIN based transactions. ATM transactions do not count toward your monthly transaction count. Please note that debit card transactions may take one or more days to post and settle to the Momentum Checking Account. All required transactions and activities must post and settle during the monthly statement cycle in order to earn dividends. Transactions must be posted and cleared to your Momentum Checking Account by the last business day each month in order to qualify for that month's threshold. You must meet all of the above requirements in each monthly statement cycle in order to receive the annual percentage yield (APY) disclosed on the rate schedule.

General Purpose and Use Expectations. The Momentum Checking Account is intended to be your primary checking account in which your payroll deposits and everyday debit card transactions post and settle. (Examples of everyday debit card transactions include but are not limited to gasoline, grocery, restaurant, supermarket, travel, and entertainment transactions.) As such, the Credit Union expects the Momentum Checking Account's debit card to be used for purchases frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small value transactions conducted with the debit card on the same day at a single merchant and/or multiple transactions made during an abbreviated time period, particularly near the end of a monthly Account Qualification period are not considered normal, everyday spending behavior.

The Credit Union reserves the right to determine if the account is being utilized in a fashion inconsistent with everyday spending behavior. Spending behavior which appears to be conducted for the sole purpose of qualifying for higher dividend rates will be considered invalid and may not count towards the monthly Account Qualification threshold. Members who persist in making debit card transactions in a deliberately limited way solely to meet monthly Account Qualification thresholds may have their Momentum Checking Account closed. If we close your Momentum Checking Account, you will not receive any dividends.

Dividends. To obtain the APY disclosed in the rate schedule, you must meet all of the account qualification requirements. Dividends will be paid to you through deposits to your Momentum Checking Account. Dividends will be compounded and credited monthly using the actual daily balance method. Dividends will be paid at a variable rate as disclosed in the rate schedule. The variable rate is based on the number of debit card transactions which post and settle during a monthly statement cycle. If you fail to meet any of the above requirements in a particular monthly statement cycle, you will not be eligible to receive the disclosed APY until the following monthly statement cycle. Dividends will be calculated on the actual daily balance, on account balances up to \$15,000.00, and will be paid monthly. Account balances greater than \$15,000 will not earn dividends. If you close your Momentum Checking Account before the dividend is credited to it, you will not receive the dividend.

Conversion. The Credit Union reserves the right to change the dividend rate and/or other features of the Momentum Checking Account at any time without notice to you except to the extent that governing law requires that we provide you with notice. The Credit Union also has the right to convert your Momentum Checking Account to a checking account governed solely by the terms of the Membership and Account Agreement at any time, with proper notice. If the Credit Union converts your Momentum Checking Account to another type of checking account, your checking account will be governed solely by the terms and conditions of the Membership and Account Agreement and other documents referenced therein.

FUNDS AVAILABILITY POLICY DISCLOSURE

This disclosure describes your ability to withdraw funds at Arbor Financial Credit Union. It only applies to the availability of funds in your transaction accounts (e.g., checking accounts). We reserve the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those outlined in this disclosure. Please ask us if you have a question about which accounts are affected by our availability policy.

For purposes of this disclosure, the terms "you" or "your" mean the member, and the terms "our," "we," or "us" mean Arbor Financial Credit Union. The term "check" means check or share draft, as applicable.

1. YOUR ABILITY TO WITHDRAW FUNDS – Our policy is to make funds from your cash and check deposits available to you on the same business day that we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash, and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays.

If you make a deposit before 3:00 p.m. at a staffed location or before 6:00 p.m. at an ATM that we own or operate on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our cutoff hour or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

2. LONGER DELAYS MAY APPLY – In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Depending on the type of check you deposit, funds may not be available until the second business day after the day of your deposit. The first \$500.00 of your deposits, however, may be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will send you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$6,800.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

3. SPECIAL RULES FOR NEW ACCOUNTS – If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,800.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$6,800.00 will be available on the seventh business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,800.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the seventh business day after the day of your deposit.

4. HOLDS ON OTHER FUNDS FOR CHECK CASHING – If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

5. HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT – If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

6. DEPOSITS AT NONPROPRIETARY AUTOMATED TELLER MACHINES (ATMs) – Funds from any deposits (cash or checks) made at ATMs we do not own or operate will not be available until the second business day after the day of your deposit. This rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

7. FOREIGN CHECKS – Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institution upon which it is drawn.

ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

This Electronic Fund Transfers Agreement and Disclosure is the contract which covers your and our rights and responsibilities concerning the electronic fund transfers (EFT) services offered to you by Arbor Financial Credit Union ("Credit Union"). In this Agreement, the words "you," "your," and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one (1) or more savings and checking accounts you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered. Furthermore, electronic fund transfers that meet the definition of remittance transfers are governed by 12 C.F.R. part 1005, subpart B—Requirements for remittance transfers, and consequently, terms of this agreement may vary for those types of transactions. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

1. EFT SERVICES — If approved, you may conduct any one (1) or more of the EFT services offered by the Credit Union.

a. Visa Debit Card. If approved, you may use your Visa® card to purchase goods and services from participating merchants. However, you may not use your card to initiate any type of gambling transaction. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your checking account. For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

For other types of transactions, if the balance in your account is not sufficient to pay the transaction amount, the Credit Union may pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts, or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, Jeanie, CO-OP, Interlink networks, and such other machines or facilities as the Credit Union may designate. In addition, you may use your Visa card without a PIN for certain transactions on the Visa, Jeanie, and CO-OP networks. However, provisions of this Agreement relating only to Visa debit transactions, such as additional limits on your liability and streamlined error resolution procedures, do not apply to transactions processed through non-Visa networks. To initiate a Visa debit transaction, you may sign a receipt, provide a card number, or swipe or insert your card at a point-of-sale (POS) terminal and choose to route the transaction over a Visa network.

At the present time, you may also use your card to:

- Make deposits to your savings and checking accounts.
- Withdraw funds from your savings and checking accounts.
- Transfer funds from your savings and checking accounts.
- Obtain balance information for your savings and checking accounts.
- Access your EZ Access LOC accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at merchants that accept Visa.
- Order goods or services online or by mail or telephone from places that accept Visa.

The following limitations on Visa Debit Card transactions may apply:

- You may make 25 Visa Debit Card purchases per day.
- You may purchase up to a maximum of \$3,000.00 per day.
- You may make 25 cash withdrawals in any one (1) day from an ATM machine.
- You may withdraw up to a maximum of \$500.00 in any one (1) day from an ATM machine, if there are sufficient funds in your account.
- You may make 25 POS transactions in any one (1) day.
- You may purchase up to a maximum of \$3,000.00 from POS terminals per day, if there are sufficient funds in your account.
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

Card Information Updates and Authorizations. If you have authorized a merchant to bill charges to your card on a recurring basis, it is your responsibility to notify the merchant in the event your card is replaced, your card information (such as card number and expiration date) changes, or the account associated with your card is closed. However, if your card is replaced or card information changes, you authorize us, without obligation on our part, to provide the updated card information to the merchant in order to permit the merchant to bill recurring charges to the card. You authorize us to apply such recurring charges to the card until you notify us that you have revoked authorization for the charges to your card.

Your card is automatically enrolled in an information updating service. Through this service, your updated card information (such as card number and expiration date) may be shared with participating merchants to facilitate continued recurring charges. Updates are not guaranteed before your next payment to a merchant is due. You are responsible for making direct payment until recurring charges resume. To revoke your authorization allowing us to provide updated card information to a merchant, please contact us.

b. TellerPhone 24. If we approve TellerPhone 24 for your accounts, a separate User ID and Password will be assigned to you. You must use your User ID and Password along with your account number to access your accounts. At the present time, you may use TellerPhone 24 to:

The following limitations on TellerPhone 24 transactions may apply:

- The maximum withdrawal or transfer amount is \$25,000.00 per day and no transfer or withdrawal may exceed the available funds in your account.
- \$50,000.00 maximum transfer per day.
- See Section 2 for transfer limitations that may apply to these transactions.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each telephone call.

c. Preauthorized EFTs.

- **Direct Deposit.** Upon instruction of (i) your employer, (ii) the Treasury Department or (iii) other financial institutions, the Credit Union will accept direct deposits of your paycheck or federal recurring payments, such as Social Security, to your designated credit union account.
- **Preauthorized Debits.** Upon instruction, we will pay certain recurring transactions from your savings and/or checking account.

You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within 14 days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding 14 days after it has been made. A stop payment request may apply to a single transfer, multiple transfers, or all future transfers as directed by you, and will remain in effect unless you withdraw your request or all transfers subject to the request have been returned.
- **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
- **Liability for Failure to Stop Payment of Preauthorized Transfers.** If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled and we do not do so, we will be liable for your losses or damages.

d. Electronic Check Conversion/Electronic Returned Check Fees. If you pay for purchases or bills with a check or draft, you may authorize your check or draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic fund transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

g. Web Bill Pay. We will process bill payment transfer requests only to those creditors the Credit Union has designated in the User Instructions and such creditors as you authorize and for whom the Credit Union has the proper vendor code number. We will not process any bill payment transfer if the required transaction information is incomplete.

We will withdraw the designated funds from your checking account for bill payment transfer by the designated cutoff time on the date you schedule for payment. We will process your bill payment transfer within a designated number of days before the date you schedule for payment. You must allow sufficient time for vendors to process your payment after they receive a transfer from us. Please leave as much time as though you were sending your payment by mail. We cannot guarantee the time that any payment will be credited to your account by the vendor.

The following limitations on Web Bill Pay transactions may apply:

- There is no limit on the number of bill payments per day.

2. TRANSFER LIMITATIONS — For all money market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

3. CONDITIONS OF EFT SERVICES —

a. Ownership of Cards. Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transactions.

Visa. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable transaction date, which rate may vary from the rate Visa itself receives, or the rate mandated by the government or governing body in effect for the applicable transaction date. The exchange rate used on the transaction date may differ from the rate that would have been used on the processing date or cardholder statement posting date.

d. Security of Access Code. You may use one (1) or more access codes with your electronic fund transfers. The access codes issued to you are for your security purposes. Any access codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any savings and checking or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. FEES AND CHARGES — We assess certain fees and charges for EFT services. For a current listing of all applicable fees and charges, see our current Schedule of Fees and Charges that was provided to you at the time you applied for or requested these EFT services. From time to time, the fees and charges may be changed, and we will notify you as required by applicable law.

Additionally, if you use an ATM not operated by us, you may be charged a fee(s) by the ATM operator and by any international, national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer). The ATM fee(s), or surcharge(s), will be debited from your account if you elect to complete the transaction and/or continue with the balance inquiry.

You understand and agree that we and/or the ATM operator may charge you multiple fees for multiple transactions during the same ATM session (for example, fees for both a balance inquiry and a cash withdrawal).

5. MEMBER LIABILITY — You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts.

TELL US AT ONCE if you believe your card or access code has been lost or stolen, if you believe someone has used your card or access code or otherwise accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line-of-credit). If a transaction was made with your card or card number without your permission and was a Visa transaction, you will have no liability for the transaction, unless you were fraudulent or negligent in the handling of your account or card.

For all other EFT transactions involving your card or access code, including if you were negligent in the handling of your account or card, your liability for an unauthorized transaction is determined as follows. If you tell us within two (2) business days after you learn of the loss or theft of your card or access code, you can lose no more than \$50.00 if someone used your card or access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or access code and we can prove we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, access code or other means, TELL US AT ONCE. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money lost after the 60 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your card or access code has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call:

269.375.6702
800.442.7340

or write to:

Arbor Financial Credit Union

Kalamazoo, MI 49009

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

6. RIGHT TO RECEIVE DOCUMENTATION —

a. Periodic Statements. Transfers and withdrawals made through any debit card transactions, audio response transactions, preauthorized EFTs, online/PC transactions, mobile access device transactions or bill payments you make will be recorded on your

periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or point-of-sale (POS) terminal.

c. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every 60 days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling 269.375.6702 or 800.442.7340. This does not apply to transactions occurring outside the United States.

7. ACCOUNT INFORMATION DISCLOSURE — We will disclose information to third parties about your account or the transfers you make:

- As necessary to verify or complete a transaction;
- To verify the existence of your account upon the request of a third party;
- If your account is eligible for emergency cash and/or emergency card replacement services and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To provide information to credit reporting agencies;
- To comply with government agency or court orders; or
- If you give us your written permission.

8. BUSINESS DAYS — Our business days are Monday through Saturday, excluding holidays.

9. CREDIT UNION LIABILITY FOR FAILURE TO MAKE TRANSFERS — If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is an insufficient available balance in your account to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy Disclosure, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
- If the telephone or computer equipment you use to conduct audio response, online/PC, or mobile banking transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the Credit Union. For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- Any other exceptions as established by the Credit Union.

10. NOTICES — All notices from us will be effective when we have mailed them or delivered them to the appropriate address in the Credit Union's records. Written notice you provide in accordance with your responsibility to report unauthorized transactions to us will be considered given at the time you mail the notice or deliver it for transmission to us by any other usual means. All other notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which EFT services are offered and will provide notice to you in accordance with applicable law. Use of EFT services is subject to existing regulations governing your Credit Union account and any future changes to those regulations.

The following information is a list of safety precautions regarding the use of ATMs and night deposit facilities:

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- Close the entry door of any ATM facility equipped with a door.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction. If it is after the regular hours of the financial institution and you are using an ATM, do not permit entrance to any person you do not know.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your personal identification number (PIN) or access code on your ATM card.
- Report all crimes to law enforcement officials immediately. If emergency assistance is needed, call the police from the nearest available public telephone.

11. BILLING ERRORS — In case of errors or questions about electronic fund transfers from your savings and checking accounts or if you need more information about a transfer on the statement or receipt, telephone us at the following number or send us a written notice

to the following address as soon as you can. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem appears. Call us at:

269.375.6702
800.442.7340

or write to:

Arbor Financial Credit Union
1551 S 9th Street
Kalamazoo, MI 49009

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about and explain, as clearly as you can, why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error has occurred within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)** business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to investigate the error.

** If you give notice of an error occurring within 30 days after you make the first deposit to your account, notice of an error involving a point-of-sale (POS) transaction, or notice of an error involving a transaction initiated outside the U.S., its possessions and territories, we may take up to 90 days instead of 45 days to investigate the error. Additionally, for errors occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to credit your account.

NOTE: If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit as described above.

12. REVERSAL OF TRANSACTION — We will reverse and recredit to your account an electronic fund transfer initiated by you for the purchase of goods or services from a third party if you dispute the purchase of goods or services of \$50.00 or more. You must notify us within four (4) calendar days of the transaction that you have made a good faith attempt to resolve the dispute with the merchant, that you have returned or attempted to return the goods or services, and that you request a reversal of the transaction.

If your request is oral, we may require that you verify the request in writing within 14 calendar days following oral notice. If you do not provide us with written verification, we may reinstate the original transaction amount.

13. TERMINATION OF EFT SERVICES — You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your card and any access code. You must return all cards to the Credit Union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this Agreement at any time by notifying you orally or in writing. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card or access code for any EFT service. Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any electronic transactions made prior to termination.

14. GOVERNING LAW — This Agreement is governed by the bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state of Michigan, and local clearinghouse rules, as amended from time to time.

Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the county in which the Credit Union is located. The name and address of the governmental agency regulating the Credit Union is:

Department of Insurance and Financial Services
Office of Credit Unions
P.O. Box 30220
Lansing, MI 48909-7720

15. ENFORCEMENT — You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any postjudgment collection actions.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Primary Savings, Special Savings, Explorer Club, Volt Savings, Premier Savings, Traditional IRA and Roth IRA, IRA Premier Savings, Golden Money Market, Maximum Money Market, Premier Checking, Momentum Checking, and Select Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Premier Savings, Traditional IRA and Roth IRA, IRA Premier Savings, Maximum Money Market, and Select Checking accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash

deposits (e.g. checks) on the business day you make the deposit to your account. For Primary Savings, Special Savings, Explorer Club, Premier Savings, Traditional IRA and Roth IRA, IRA Premier Savings, Golden Money Market, Maximum Money Market, Premier Checking, Momentum Checking, and Select Checking accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends.

5. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Primary Savings, Volt Savings, or Business Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Primary Savings accounts, there is a minimum daily balance required to avoid a service fee for the monthly. If the minimum daily balance requirement is not met during each day of the monthly, you will be charged a service fee as stated in the Schedule of Fees and Charges. For Premier Checking accounts, there is a minimum daily balance required to avoid a service fee for the dividend period. If the minimum daily balance requirement is not met during each day of the dividend period, you will be charged a service fee as stated in the Schedule of Fees and Charges. For Primary Savings, Golden Money Market, Maximum Money Market, and Premier Checking accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

6. ACCOUNT LIMITATIONS — For Primary Savings accounts, you will be charged a non-relationship service charge, as disclosed in the Schedule of Fees and Charges, unless you have an aggregate balance above \$250.00 in all savings accounts, or have a checking, loan

or credit card. For Golden Money Market and Maximum Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Primary Savings, Special Savings, Explorer Club, Volt Savings, Premier Savings, Traditional IRA and Roth IRA, IRA Premier Savings, Free Checking, Volt Checking, Premier Checking, Momentum Checking, and Select Checking accounts, no account limitations apply.

7. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture

the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. For Certificate of Deposit accounts, the interest rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For accounts subject to interest compounding, the annual percentage yield is based on an assumption that interest will remain on deposit until maturity. A withdrawal of interest will reduce earnings.

2. INTEREST COMPOUNDING AND CREDITING — The compounding and crediting frequency applicable to each account is set forth in the Rate Schedule. For Certificate of Deposit accounts, at your option, you may choose to have interest credited to your certificate account, paid to you by check or transferred to another account of yours. If you elect to have interest paid to you

by check or transferred to another account, compounding will not apply.

3. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Primary Savings, Volt Savings, or Business Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, interest is calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.

4. ACCRUAL OF INTEREST — For Certificate of Deposit accounts, interest will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Certificate of Deposit accounts, if you close your account before accrued interest is credited, accrued interest will not be paid.

5. TRANSACTION LIMITATIONS — For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below.

6. MATURITY — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

7. EARLY WITHDRAWAL PENALTY — Except as set forth in subparagraph 7c below, we will impose a penalty if you withdraw funds from your account before the maturity date.

a. Amount of Penalty. For Certificate of Deposit accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of up to 6 months	90 days' interest
Terms of 7 - 35 months	180 days' interest
Terms of 36 to 83 months	365 days' interest
Terms of 84 months and greater	1460 days' interest

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the interest that has been or would be earned on the account. It applies whether or not the interest has been earned. In other words, if the account has not yet earned enough interest or if the interest has already been paid, the penalty will be deducted from the principal.

c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple interest earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

8. RENEWAL POLICY — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of seven (7) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

9. NONTRANSFERABLE/NONNEGOTIABLE — Your account is nontransferable and nonnegotiable.

10. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
